

American Indian Education Centers

Directory of American Indian Education Centers in California listed by the county in which they are located.

American Indian Education Centers in California are authorized by California *Education Code*, Article 6, sections 33380-33383. Center staff assist schools with professional development, counseling, tutorial services, or parent education. They also provide supplemental and extended day instructional programs to meet the needs of American Indian students.

Contact a center in your county for assistance:
