* The theme for the CCAIE, which will be held March 24-26, 2011, is "Indian Education: Strengthening Our Future by Coming Together" and will showcase 34 years of success and growth of American Indian education in California and the impact the American Indian Education Centers have had in American Indian communities. The CCAIE is made possible by the collaborative efforts of the 27 American Indian Education Centers located statewide, which are endorsed by the California Department of Education, and many other supporters of American Indian education throughout California.

The mission of the Office for Civil Rights is to ensure equal access to education and to promote educational excellence throughout the nation through vigorous enforcement of civil rights.
