What is the color made of?

The magical color powder we use is custom manufactured and produced right here in the United States. It is made from food grade quality cornstarch using an advanced manufacturing process that has been custom developed for the Color Vibe Race Series. It is non-toxic, is 100% safe, and also biodegradable. As with any substance, you will want to keep it out of your eyes and lungs. If you are overly sensitive, you may want to wear glasses or goggles for your eyes and use a bandana or dust mask for your mouth. (This is especially recommended for our younger runners/walkers)

Can I take pictures?

Of course! If you do bring your camera, phone, pager, Walkman, or 8-track, we recommend keeping it in a plastic bag to keep the dust out!

Are kids allowed?

Yes, kids love to get colored just as much as the rest of us. Kids 7 and under are free, but will not receive a shirt. All kids must have a release waiver signed by a parent/guardian and turned in before they are allowed to participate. The waiver can be obtained and signed at the event.

Can I Walk?

Walking is totally acceptable here at the Color Vibe. You will be one of many who will be walking. We don't time the race and it is non-competitive, so you won't feel any pressure.

Can I purchase more items?

There will be additional items for purchase at the event so you can show the world how much fun you had!

What do I get for registering?

Besides getting the most colorful experience of your life in this awesome 5k, you'll also receive a super cool Color Vibe t-shirt, and a swag bag with cool stuff.

Can I refund my registration?

Bummer, No. Unfortunately it's impossible for us to offer refunds. You can still pick up your packet and race goodies, or you can transfer your registration to someone else up to one week prior to the event.

Are there age limits?

No way! Everyone is welcome to come have tons of colorful fun at Color Vibe! Just remember that anyone 8 and older needs to pay a registration fee! Strollers, and wheelchairs are welcome! We do recommend that your kids are properly protected with sunglasses, and for toddlers and infants, maybe even something to cover their mouth. The powdered paint is non-toxic and made mainly with corn starch, but it could irritate the smaller ones more than us.

Will the color get in my car?

Bring a towel or some plastic bags along, and you'll be just fine. However, if you do get some in your vehicle, it can be dusted away or vacuumed easily.

Will the color stain my clothes, shoes, or makeup?

If you want a lot of color to hit your shirt, plan to run or walk closer to the color throwers. If you want only a little bit of color, run or walk in the farthest lane from the throwers. The color does mostly wash out after the event, but some of it can stain. As with anything, the sooner you wash it the better. We suggest wearing items that you wouldn't mind getting the color on.

What should I wear?

You can wear whatever you want but we suggest white clothing because it shows up the color the best! Wear something unique - funny hats and tutu's add to the fun!

What do I do after the run?

Make sure that stick around for our Color Dash Finale!! We will have a COLOR EXPLOSION that you won't want to miss. Afterwards, grab something to eat or drink, visit the vendor booths and have fun.

RULES AND SAFETY

We have just a few rules to ensure that everyone has a FANTASTIC Color Run experience.
