Dear Community Member:

Effective September 15, 2008, Indian Health Council will begin implementing a fee schedule for various patient services in the Medical Department based on the **Eligibility for Services Matrix**. The matrix is broken down into 4 basic categories; 1) Indian Consortium Members, 2) All Federally Recognized or CA Indian Lineal Non Consortium, 3) Non Indian, and 4) Non Indian Employees. The fee collected if any will depend on the type of service and the eligibility status of the patient/client.

Although not fully implemented at the time, the Eligibility for Services Matrix was voted on and approved for implementation by the Board of Directors at a regularly scheduled meeting on May 5, 2005. Therefore, to be consistent in our treatment of our community members IHC recognizes the need to reintroduce the fee schedule.

IHC appreciates your patience in this matter. Should you have any questions or concerns please do not hesitate to contact Orvin Hanson, Chief Operating Officer, at ext. 5228 or myself at ext. 5393.

Respectfully,

Romelle Majel McCauley
