

March 10, 2019

To: Participants, Exhibitors and Vendors:

This year marks the 9th Annual All Tribes in Recovery Gathering, being held again this year at the Sycuan Recreation Center located at 5577 Dehesa Road, El Cajon, CA 92019, Sycuan Indian Reservation, **Saturday, July 6, 2019.**

The Gathering has been occurring for the last nine years and includes speakers, entertainment, food vendors, resources, information on recovery, wellness and sober living. We also will have ITS-Intertribal Sports have games and raffles for the youth and some special gifts for our Elders and Veterans.

Last year we were expecting 700 people and our total count for the day was 1,048 attendees. What a great success!

The focus continues to be “to help others get clean and stay clean and sober by developing and enhancing the support network of our Recovery environment.”

Hope to see you at our 9th Annual All Tribes in Recovery Gathering.

Please make copies of fliers to hand out to your community.
