To Whom It May Concern:

On September 18, 2008, the Strong Hearted Native Women's Coalition presents the **First Annual Charity Golf Tournament Against Sexual Assault & Domestic Violence**, hosted by the Castle Creek Country Club in Escondido, California. Founded in 2005, the Strong Hearted Native Women's Coalition is a non-profit, non-governmental, tribal coalition, which brings awareness and prevention of Sexual Assault & Domestic Violence to the American Indian community. Our mission is to promote a safe and non-violent traditional lifestyle. We work towards providing women, affected by sexual assault & domestic violence, with the tools for empowerment, independence, courage, strong decision making and healthy life choices, for herself, her children, and family.

The purpose of this tournament is to raise, not only awareness, but also funds needed to accomplish our goals to assist families, who have fled violence in the home, to begin a fresh start. Through golf, a game that inspires a better drive in life, we can raise funds needed for items not covered by grants, that can assist families with rent, utility bills, childcare, food and clothing and help purchase documents such as birth certificates, social security cards, identification cards and driver's licenses.

In order to accomplish our mission, we invite you to participate in this note-worthy, charitable event, by becoming a sponsor of our First Annual Charity Golf Tournament Against Sexual Assault & Domestic Violence. By selecting a sponsorship below, you can help with the success of this event.
